left arm - brown felt

stick hair - brown felt

smile - dark grey felt

button - black felt
cut 3

Instructions

Trace the template pieces onto their designated felt color. Cut out the felt pieces and glue them together using the image as a guide. Cut a piece of felt 1 1/2 inches long and form a loop. Glue it to the back of the ornament. You can attach a tree hook or ribbon through the loop and hang the ornament from a holiday tree.
